Dear Fellow Wyoming Citizens:

It's a pleasure to present the 1987 Wyoming Official Directory.

Within its covers you'll find the virtual "Who's Who in Wyoming Government," including members of the judicial and executive branches and all elective officials. What's more, the Directory also lists members of the state boards, commissions, councils, departments, colleges and institutions, with brief descriptions of their responsibilities. County officials are also listed.

For those who appreciate the historical perspective, there are listings of past statewide officers and election results.

The Directory is available free of charge to any Wyoming resident.

WONDERFUL WYOMING!!

Wyoming means "The Large Plains" from the Delaware Indian words "Maugh-wau-wa-ma." Wyoming Territory has been renowned since 1869 as the first government in the *world* to grant women the right to vote or hold public office and has earned the name "Equality State" and the motto "Equal Rights." The **State Seal** was adopted by the Second Legislature in 1893.

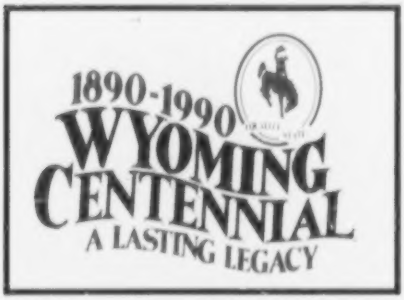
The **Bucking Horse** symbol has been used on Wyoming license plates since 1936. It can be used by anyone to signify "WONDERFUL WYOMING."



The **Centennial** logo is being used in conjunction with activities to promote the Wyoming Centennial to be celebrated in 1990.

LEGISLATIVE BRANCH

Legislative Foreword

The Legislative branch of state government drafts and passes the laws providing for the well-being, growth and development of the state, and for the protection of her citizens.

The Wyoming State Legislature consists of 30 State Senators and 64 State Representatives. The term of office for the Senators is four years, 15 of the members being elected at a general election at which a President of the United States is elected, the balance at an off-year election. The entire body of the House of Representatives is elected every two years to serve a two-year term. Terms begin on the first Monday in January following election.

The 1981 reapportionment of the State Legislature provides for a total of 30 State Senators and 64 State Representatives. See page 140 for breakdown.

The general legislative session convenes on the second Tuesday of January of the odd-numbered years and shall not exceed 40 legislative working days. In 1972, voters in Wyoming approved an amendment to the Wyoming Constitution which permitted an additional twenty-day session of the Wyoming Legislature in even-numbered years for the consideration of the State's budget. The budget session convenes on the third Monday of February of the even-numbered years and shall not exceed 20 legislative working days.

The present Legislature has a Republican majority in both bodies; 19 Republicans to 11 Democrats in the Senate; and 44 Republicans to 20 Democrats in the House.

In 1987 there are three women serving in the Senate and 19 women in the House of Representatives.

The general session of the 49th Legislature convened on January 13, 1987.

The budget session of the 49th Legislature will convene on February 15, 1988.
